

Introducing

3 Hearts First Aid and CPR Certification for Dogs, Cats, and Humans

ONSITE

This certification is ideal for salons that wish to ensure their team members possess the necessary knowledge by studying the comprehensive first aid and CPR practical application for dogs, cats, and humans and completing the onsite test.

OBJECTIVE OF ONSITE CERTIFICATION

The Onsite Three Hearts First Aid and CPR Certification aims to provide comprehensive training and practical assessment of the knowledge and practical skills required to effectively respond to emergencies involving dogs, cats, and humans.

ONSITE PREREQUISITE:

To be eligible for the onsite certification, completion of the following 3 Hearts First Aid and CPR for Dogs, Cats, and Humans online courses is required:

- First Aid and CPR for Canines: \$60
- First Aid and CPR for Felines: \$30
- First Aid and CPR for Humans: \$30

\$120 in total for the online certification courses

COURSE REPEAT AND RETAKE OPTIONS

If you have previously completed any of the First Aid and CPR classes in the Nash System, you are not obliged to repeat the course. Credit will be given, and your grades will be transferred. However, you have the option to retake a course to improve your grade, rank, and title, thereby qualifying you to teach the first aid and CPR classes.

ONSITE PRACTICAL SKILLS HOURS: 6 Clock Hours

3 HEARTS FIRST AID AND CPR ONSITE COURSES:

1. First Aid and CPR for Canines
2. First Aid and CPR for Felines
3. First Aid and CPR for Humans

CERTIFICATE

Upon completing the certification requirements, you will receive your Onsite 3 Hearts First Aid and CPR for Dogs, Cats, and Humans Certification.

NASH SYSTEM FIRST AID AND CPR RESPONDER

As a certified first responder in the Nash System, your name, rank, and title will be listed among the Nash System Certified First Aid and CPR Responders.

CONTINUING EDUCATION REQUIREMENTS

To maintain active status as a Nash System Certified First Responder, you must fulfill continuing education requirements by studying the updated manuals and completing the online tests.

ANNUAL SUBSCRIPTION FEES

To retain access to your online reference library for the First Aid and CPR Manuals, an annual subscription fee is required:

- \$6 for First Aid and CPR for Canines
- \$6 for First Aid and CPR for Felines
- \$6 for First Aid and CPR for Humans

\$18 in total for access to the reference manuals for the 3 Hearts First Aid and CPR Certification.

TESTING FEES FOR CONTINUING EDUCATION COURSES

Every two years, you are required to take tests for continuing education in 3 Hearts First Aid and CPR for Dogs, Cats, and Humans. The testing fees are as follows:

- \$6 for First Aid and CPR for Canines
- \$6 for First Aid and CPR for Felines
- \$6 for First Aid and CPR for Humans

\$18 for access to the continuing education tests for the 3 Hearts First Aid and CPR Certification.

To maintain active status as a first responder under the Nash System, you must also complete the onsite course every five years. The fee for the continuing education onsite class is fifty percent of the original cost.

SPECIALIST IN DOG, CAT, AND HUMAN FIRST AID AND CPR

To achieve the distinguished level, rank, and title of "Specialist" in First Aid and CPR for Dogs, Cats, and Humans, you must complete the certification courses with a Grade Average of 96 or above.

THE NASH SYSTEM GRADING AND RANKING SYSTEM
