

Introducing

3 Hearts First Aid and CPR

Certification for

Dogs, Cats, and Humans

ONLINE

This certification is ideal for salons that wish to ensure their team members possess the necessary knowledge by studying the comprehensive first aid and CPR manuals for dogs, cats, and humans and completing the online test.

OBJECTIVE OF ONLINE CERTIFICATION

The primary objective of the Online Three Hearts First Aid and CPR Certification is to educate and assess participants on the fundamental knowledge required to handle emergencies involving canines, felines, and humans.

ONLINE PREREQUISITE: N/A

TIME FRAME FOR COURSE COMPLETION

Participants have one month to complete the certification course.

MINIMUM AND MAXIMUM TIME TO COMPLETE CERTIFICATION

The minimum and maximum time required to complete the certification is determined by the

number of courses needed to fulfill the certification requirements.

COURSE REPEAT AND RETAKE OPTIONS

If you have previously completed any of the required First Aid and CPR classes in the Nash System, you are not obligated to repeat the course. Credit will be given, and your grades will be transferred. However, you have the option to retake a course to improve your grade, rank, and title, thereby qualifying you to teach the first aid and CPR classes.
